# Surviving the Energy Crisis: How to Save Money

A practical energy efficiency workshop for businesses and other institutions

Tuesday, October 7, 7:30 AM – 1:00 PM

Holiday Inn Express, Saco

- 💡 **Are** energy costs making you feel out of control?
- 💡 **Do** you want to consider an energy saving project but don't know where to begin, or who can offer the best help?
- 💡 **Would** you like to hear practical lessons first-hand from Maine businesses that are saving money with energy efficiency?
- 💡 **Would** you like to learn where and how to score cash rebates, low-interest loans, tax credits and technical assistance?

## Agenda

- 7:30** Check-in; Continental breakfast
- 8:00** Welcome  
*Bernard Featherman, President, Biddeford-Saco Chamber of Commerce*  
*Brownie Carson, Executive Director, Natural Resources Council of Maine*
- 8:30** Lessons from Success Panel: Local businesses describe the costs, benefits and lessons from their energy projects  
*Shawn Moody, Moody's Collision Center*  
*Tom Maines, Kennebunk School District*  
*Gary Laperriere, General Dynamics*  
*Ben Burns, Arundel Machine Tool*
- 10:00** Networking and questions
- 10:30** Options and Opportunities: Information, programs and resources to plan and finance energy efficiency projects  
*Tim Clark, Efficiency Maine: Maine's key resource for efficiency incentives and technical assistance;*  
*Charlie Emmons, Finance Authority of Maine: Financing with loans and tax credits;*  
*Chuck Porter, Energy Resource Solutions: Getting started with top efficiency measures; working with efficiency companies*
- 12:00** Lunch  
*Dana Connors, President, Maine State Chamber of Commerce*  
Featured speaker: Chris Green, President, Mechanical Services

## Who Should Attend?

**Owners, managers and decision-makers in:**  
*Industry, Small Businesses, Schools and Health Care facilities, Hospitality, Manufacturers, Retail and Office businesses, Builders, Banking and Finance*

## Featured speaker:

**Chris Green, President and CEO of Mechanical Services, Inc. / Maine Controls**

*Mechanical Services and Maine Controls specializes in preventive maintenance and energy conservation using innovative technologies and proven solutions to reduce clients' energy costs and reduce greenhouse gasses.*

*Mr. Green has considerable industry knowledge with over 30 years of experience in the HVAC/R, Indoor Air Quality and energy reduction arena for commercial, industrial and institutional buildings.*

## Registration

**Registration:** RSVP by October 1. Registration is \$25 and includes continental breakfast, lunch and conference materials. Reasonable accommodations for people with special physical or dietary needs will be made if requested by October 1.
