Did you know that you can receive \$5 for your old thermostat?

To help protect our land, air, and water from toxic mercury pollution in Maine, thermostat manufacturers are required to offer a \$5 incentive for every mercury-containing thermostat returned for proper recycling and disposal.

MERCURY THERMOSTAT RECYCLING

\$5.00
for each qualifying
mercury thermostat

STORE NAME _____

CLERK INITIALS _____

Submit this coupon to receive \$5.00 toward the purchase of anything in this store valued at \$5.00 or more.

Redeem coupon at the register at any time. Offer valid until further notice.

(#)

You can get \$5 when you bring your thermostat to any participating retailer, household hazardous waste collection site, or thermostat wholesaler.

Replacing your old thermostat with a programmable model can also help you save money on heating bills!

Visit www.thermostat-recycle.org/statelaws/maine
to find a participating collection site near you!
