

Did the cold winter leave you with higher than expected heating bills? Have you noticed cold drafts in your home?

Sign up for Weatherize Ellsworth today!

-  Learn the easiest, most effective, and most cost-beneficial ways to make your home more comfortable during Maine's cold winters.
-  Enjoy a free personal energy consult with a professional from Penobscot Home Performance.
-  Access to reduced prices on options ranging from basic air sealing to insulation and heat pumps from Penobscot Home Performance.
-  If you are a resident of Ellsworth and qualify for General Assistance, or Maine's Affordable Heating Initiative through Efficiency Maine, then you qualify for additional cost savings that reduce barriers to making your home more comfortable and that save you money on your heating costs.

Learn more and sign up at www.weatherizeellsworth.org or by calling Penobscot Home Performance at (207) 469-6100.
